

COLLEGE HONORS TO WILLIAM J. MULLIGAN

A singularly honor was paid to Chairman William J. Mulligan of this state, who is on the Knights of Columbus committee on war activities when two famous schools, one a university and the other a college, bestowed the degree of Doctor of Laws

WILLIAM J. MULLIGAN.

upon him in recognition of his services in the war work of the Knights of Columbus.

Fordham University of New York City and Holy Cross college of Worcester, Mass., awarded this honor to Mr. Mulligan and, through him, to the Knights of Columbus. Mr. Mulligan, being overseas, the degrees, in each case, were conferred in absentia. The Fordham exercises took place last week and the Holy Cross commencement exercises on the morning of June 25.

Chairman Mulligan some weeks ago celebrated his first anniversary as head of the K. of C. war work committee. He is now in France supervising the final work for the A. E. F. and intensifying K. of C. activities for the army of occupation.

STATE BUYS \$1,000

WORTH OF W. S. STAMPS

The state of Connecticut, by means of the state treasurer, C. H. Gilpatrick of Putnam, placed its emphatic seal of approval Thursday on the War Savings campaign as conducted this year, when Mr. Gilpatrick purchased \$1,000 worth of W. S. S. to be retained by the state as a profitable investment until the date of maturity, January 1, 1924.

As Mr. Gilpatrick is a resident of Putnam, where he is cashier of the First National bank, the sale will be credited to the city of Putnam, this considerably increasing its per capita figures for the month of June. The stamps will result in a great amount of good to all of our citizens. I hope that many corporations will follow the example of the state and will buy \$1,000 worth of W. S. S. the maximum amount which any firm or individual is allowed to hold.

"I am a firm believer in the War Savings movement," said Mr. Gilpatrick, "and I intend to do all in my power to bring about a realization of the real merits of W. S. S. as an investment. With the Liberty Loan campaign out of the way, it is my hope that more and more stress will be laid upon the sale of Thrift and War Savings Stamps."

"I am sure," he continued, "that the campaign of systematic savings and sensible spending now being conducted by the Connecticut War Savings committee will result in a great amount of good to all of our citizens. I hope that many corporations will follow the example of the state and will buy \$1,000 worth of W. S. S. the maximum amount which any firm or individual is allowed to hold."

PRESTON CITY GRANGE HOLDS BIG OPEN MEETING

On Tuesday evening quite a large number of patrons, together with many children of Preston gathered in the Grange hall in an open meeting of Preston City Grange. About 8:30 Worthy Master N. H. Hall called the meeting to order and in a few well chosen words expressed his pleasure at seeing so many present and hoped they all would enjoy the evening. The meeting was then turned over to the lecturer who presented a programme that was both timely and helpful. Miss Sophie Brown Hollowell, followed by a vocal solo by Brother Lucius Davis. The chaplain of the Grange, Rev. T. J. Lewis made a brief address that was both timely and helpful. Brother W. J. Banfield was then introduced who in the thirty or forty minutes that followed displayed his skill in legerdemain in a very clever manner. This was Mr. Banfield's first appearance in Preston City and his part of the programme was thoroughly enjoyed by all. E. P. Barnes followed with a ball in an open song and the programme concluded with piano solo by Sister Doris Craig. After the programme light refreshments were served by the women's work committee. A vote of thanks was given Brother Banfield for his generous and skillful entertainment.

At the next meeting on July 22, the sisters will be in charge, being the first of the programme. At the lecturer's hour the sisters will fill all of the officers' chairs.

J. HENRY SHANNON AND W. H. SHIELDS, JR., HOME

J. Henry Shannon, who left Norwich for Camp Devens, Feb. 27, 1918, arrived home Tuesday night, having spent over a year in the service of the American expeditionary forces. He was discharged from Camp Lee Tuesday.

William H. Shields, Jr., a well known Norwich lawyer, arrived at Newport News June 19 from France where he had been for almost a year. He is at Camp Upton and expects to be home in a few days. He has been in the medical department and returns in good health. As he is a Yale man he has been teaching since the armistice went into effect.
